

# Trash Free Trails needs YOUR HELP to keep your trails clean!

## Autumn Poster COMPETITION!

8th September - 17th October.

The great outdoors is a special place for many to play and explore. To keep it beautiful for everyone, including the **animals and plants** that live there - we need to look after it together.

Your challenge is to create a poster that encourages others to help keep your local trails as clean and happy as they can be.

### Our top tips for creating an inspiring poster:

- Be bright and bold!
- Be **positive** and inviting
- Show what you love about your local trails
- Make your local area **proud**

### Ideas to get you started:

- If a **superhero** helped clean, what would they look like?
- **Imagine** if the leaves on the floor could talk, what would they say?
- Could you invent a **magic tool** to clean up trails?

### How to submit your poster:

- Take a clear photo of your poster on a phone camera, or use a printer scanner
- Save the file name as **[NAME\_SCHOOL\_ATC\_2025]**
- Submit via our online form [<https://www.trashfreetrails.org/clean-trails/autumntrailclean>]
- **Winners** will receive a prize & their poster printed, all announced at your local clean on the 25/26th October!

Make sure you head to your local Autumn Trail Clean!
